SUMMARY

I am a dedicated Computer Science student with intermediate skills in Java, Python, C++, and a foundation in C programming. Working Knowledge of Data Structures and Algorithms. Experienced with Git, GitHub, and basic Linux commands. As a military dependent, I bring adaptability and resilience to problem-solving and teamwork. Seeking an internship to leverage technical skills and life experiences in a dynamic environment.

SKILLS

Technical Skills: Java (Intermediate), C++ (Intermediate), Python (Intermediate), C (Advanced Beginner), MASM32 Assembly, Algorithms and Data Structures, Discrete Structures, Basic Linux experience, Unit Testing, Debugging, Git, GitHub, Jira, MS Office (Excel, Word, PowerPoint), Google Skills (Sheets, Slides, Docs).

Other Skills: Communication, Problem Solving, Critical Thinking, Teamwork and Collaboration, Adaptability

FORMAL EDUCATION

- **Bachelor of Science in Computer Science**, Florida Institute of Technology, Melbourne, Florida Projected Spring 2026
 - Current GPA: 3.37
- **Associates of Science**, Southwestern Illinois College, Belleville Illinois July 2023
- **Associates of Arts**, (Dual Enrollment) Southwestern Illinois College, Belleville Illinois May 2022

EXPERIENCE

CS(Computer Science) Help Desk Tutor Florida Institute of Technology, Melbourne Florida

- Student Tutor for Florida Tech's Computer Science Help Desk, helping students understand concepts in various CS courses, like Discrete Math, Data Structures and Algorithms 2, Fundamental of Software Development, Programming Language Concepts

National Cyber League Florida Institute of Technology, Melbourne Florida

- Participated on the cybersecurity competitive team

Military Peer Support Group Burlington County Regional High School, Burlington New Jersey

- Filled leadership role and co-led special events for the year

Operation Christmas Drop Andersen Air Force Base, Guam

- Packed canned goods, educational material, and clothing into 140 airdrop bundles for approximately 20K pacific Islanders

HONORS & CERTIFICATIONS

- **Upsilon Pi Epsilon**, International Honor Society for the Computing and Information Disciplines
- **Security Clearance Readiness Program**, Zel Technologies
- **National Cyber League 2022 Team & Individual Game**, Stats on LinkedIn
- **Certificate of Achievement Computer Science**, Florida Tech
- **Running Start Program – South Western Illinois College**
 - Dual enrollment program for select students who maintain a GPA of 4.5 (on a 5.0 scale)
 - Attended Junior and Senior year of Highschool

CO-CURRICULAR ACTIVITIES

- **FITSEC** – Cyber Security Team at Florida Institute of Technology
- **Scuba Team** – Florida Institute of Technology
